

# Privacy Policy

## Introduction

Welcome to our Secret Nick web application! We value your privacy and are committed to protecting your personal information while you use our application. This Privacy Policy outlines how we collect, use, and protect any data you share with us. Our goal is to provide a fun and safe environment for organizing and participating in Secret Nick gift exchanges. By using our app, you agree to the terms described in this Privacy Policy.

## Privacy Policy

- **Data Collection:** We collect basic information such as your name, phone number, email address, delivery details and other data like gift preferences to facilitate the gift exchange process.
- **Gift Exchange Matching:** Your data is used solely to pair you with another participant and to communicate relevant information about the gift exchange.
- **No Public Disclosure:** We do not publicly share your personal information or gift preferences with other users, except where explicitly authorized by you.
- **Cookies and Tracking:** We may use cookies or similar technologies to improve user experience and analyze traffic, but we do not use this data for advertising.
- **Third-Party Services:** We do not sell, rent, or trade your personal data to third parties. However, we may use secure third-party tools (e.g., email services) strictly for operating the application.
- **Security Measures:** We implement reasonable security measures to protect your data from unauthorized access, disclosure, or loss.
- **Data Retention:** We retain your personal data only as long as necessary for the Secret Nick exchange and will delete it upon request or after the event ends.
- **Children's Privacy:** This service is intended for users aged 18 and over. We do not knowingly collect data from people under 18.
- **User Control:** You can access, update, or delete your information at any time by contacting us or through your account settings.
- **Policy Updates:** We may update this Privacy Policy periodically. Any changes will be communicated clearly on our platform and become effective upon posting.
