

Privacy Notice for Secret Nick App

This Privacy Notice explains how our Secret Nick application collects, stores, and processes your personal data. By using the app, you agree to the handling of your information as outlined below.

Information We Collect and How We Handle It

- **Personal Identification Information:** We collect your **name** and **surname** to identify participants in the Secret Nick exchange.
- **Contact Information:** We collect your **email address** and **phone number** to inform the other participants related to the Secret Nick event.
- **Delivery Information:** We collect your **delivery address** to allow your Secret Nick participant to send your gift directly.
- **Gift Preferences:** We collect your gift preferences to share with your assigned Secret Nick, helping them choose a thoughtful gift.
- **Voluntary Participation:** All information is provided voluntarily by participants through secure forms or input fields in the app.
- **Data Storage:** Your personal information is securely stored using encrypted databases with restricted access.
- **Data Processing:** Information is processed only for the duration of the event and is used exclusively within the app's matching and communication features.
- **Data Retention and Deletion:** All participant data is retained for informational and statistics purposes after the event concludes, unless you request earlier removal.

How We Use Your Information

- To match you with another participant for the Secret Nick gift exchange.
- To provide your assigned Secret Nick with the necessary details to deliver your gift.
- To communicate with you directly in case of any changes related to Secret Nick event.

If you have any questions or concerns about how your data is used, please contact the administrator of your room through the contact information provided.
